"It has come to me recently." Mr. am unalterably opposed to it." Real danger to America from the Reds

was presented picturesquely by Peter W. Collins, director general of the carit is not the largest germ spreader there ployment and reconstruction service of is if allowed to be handled in this un-States in the last eight years. Said Mr.

"Weighing my words exactly, I make this statement: There is more danger of revolution, there is more Bolshavism to the square inch in New York city and than there is in the whole tremendous expanse of the Russian Soviet Federated cialist Republic.

"This revolutionary propagands to being spread most insidiously from two sources-the so-called pink tea philosophers of the parlor radical variety and the other type which we may properly And as one having experience I wood alcohol philosopher than I have from the parlor radical, for the latter can get into centres that the outspoken and unhypocritical L. W. W. cannot In presenting the federation's plan

olic Encyclopædia, said that if the Legslature at Albany had blundered in try ing to exclude the five Socialist members "was a happy blunder, for it has cussed attention on this monster."

Dr. Pallon said an ampy intelligence at 11 A. M. focussed attention on this monster." officer told him the Government had a list of parlor Socialists who are assisting in revolutionary propaganda. To him Dr. Pallen said, "Then why in God's want to know who are Americans and who are not." The intelligence officer replied. Dr. Pallen said, "God only P. M.

A. D. F. Hamlin will lecture on "French Art Nouveau of the Eighteenth Century." replied. Dr. Pallen said, "God only P. M.

world domination, and that their com-missars frankly told him, "We will spread the revolution over Europe and then we will get America.

All officers of the federation were reelected, including Alton B. Parker, presitalph M. Easley, chairman of the execu-

\$3,200 IS PAID FOR FRENCH CABINET
